Carol Giles	SECRETARY
Kim Crawford	TREASURER
Val Crowder-Irvin	ADMINISTRATOR/ MEMBERSHIP
Gayle Crosmaz-Brown	MARKETING/ COMMUNICATIONS
Barbara Allport	ANNEX
John Christie	CURATION
Vacant	FACILITIES

## CHRISTMAS IN THE ANNEX

We Need **YOUR** work to make this a **SHOW!**

**All artwork should be \$50.00 or less and in the Annex  
by  
Sunday November 3rd.**

Guidelines for "Christmas in the Annex"

1. All artwork for the Christmas in the Annex show should be **NO BIGGER** than 11"x14". Paintings 8x10, 5x7, 10x10 and 12x12 are ideal as wall space is limited.
2. All artwork will be installed on the walls of the Annex or on a plinth (for small 3d work) **NO CARDS. NO PRINTS.**
3. All artwork must be wired and ready for hanging.
4. Each artist is allowed a maximum of 3 pieces and as usual your label information should be sent to John for printing.
5. This show is for APFTA Members Only.

---

**NEW INSTALLATION.** The last installation of the year is on the walls. And I believe it is one of the best to date. It wouldn't be possible without your creative works! Can't wait to see your new works go up in February!.

### **ANNEX GALLERY**

The new installation "Painting the Highlands" en Plein Air in the Annex is up and it looks like our members have been spending a lot of time outdoors this summer.

---

## *Question of the Month*

***Will we be closed in January again this year?***

***The answer is YES. We will spruce up the walls and do another seal on the floor. The Kitchen/art storage area also needs a thorough cleaning.***

***You will be called upon to help!***

---

## **SQUARESPACE**

---

### **SQUARE HINTS, TIPS AND REMINDERS!**

We are trying to track sales from the Annex. Please use the Annex Item in the Square for ALL sales in the Annex. Put the Artist's name in the Notes section.

It is now heating system time. In the main gallery the system is hot pipes and fan system. The faster the fans the more heat. Turn the fans lower (not off) at night.

In the Annex, the forced air heat comes from the furnace in closet. This furnace is susceptible to freezing if the temp goes below 10 (we own this system, pay for this heat and fix the furnace if it freezes). Please set the temp both in the Annex and Main Gallery at 22 during the day and turn to 15 at night. Please keep the door to the Annex closed at all times in cold weather so there is no heat exchange.

### ***GALLERY STATISTICS FOR SEPTEMBER***

**Average daily Visitors: 44**  
**Total Monthly Sales: \$ 3,212.50**
